Dear Valued Community Members,

We hope this message finds you all healthy and well. Currently, we are still open and operating. This, of course, is subject to change at any time. We wanted to reassure you that we have been practicing frequent disinfecting procedures to prevent the spread of the virus. Our staff will also be respectful of social distancing. If you are planning any future flooring updates or new window treatments, we are still performing private, in home estimates, consultations and installations. We have a large selection of in-stock carpet and luxury vinyl flooring to choose from at discount pricing.

If you prefer not to come in at this time, please browse our website and manufacturer links for ideas and inspiration. Likewise, we are asking you to please use good judgement if you or anyone in your household is ill and/or showing symptoms of the Covid-19 virus by staying home. We want you to take care of yourself and be well. If you already have an appointment and someone in your home is showing symptoms or has become ill/infected, please let us know immediately. We will happily postpone/reschedule when your household is healthy and well again.

In the meantime, stay safe, healthy and positive. Help someone in need when you can. We may become temporarily separated, but in time, great community members like you will help us all come back together even stronger.

From the Staff and Owners of Carpets Plus Outlet, Kenosha
